To Whom It May Concern,

I am writing to confirm and provide further context regarding the participation of Khaleel Khan Mohammed as a judge for the 2025 Evan Kirstel's We Love Tech Awards, hosted by the Business Intelligence Group.

As the Chief Executive Officer and Founder of the Business Intelligence Group, I take great pride in the integrity and expertise behind our judging process. Our model relies on the insight of experienced industry professionals from around the world—individuals who bring deep knowledge and practical experience to the evaluation of nominees.

Khaleel Khan Mohammed was carefully selected to serve as a judge based on a comprehensive review of their qualifications, accomplishments, and contributions to the field. Their professional background and demonstrated commitment to excellence in customer experience made them an ideal addition to our esteemed panel of judges.

The Business Intelligence Group is grateful for Khaleel Khan Mohammed's service as a judge and recognizes the significant value they brought to the awards program. Their thoughtful review and commitment to fairness have contributed to upholding the standards of excellence we aim to highlight through this recognition.

We thank Khaleel Khan Mohammed for their dedication and wish them continued success in all future endeavors.

Sincerely,

Russ Fordyce
